

Registration 3-D Secure Corporate Cards

1 Registration, step by step

1. While making a payment, you may be prompted to register your credit card with 3-D Secure.
2. Enter the Online-ID that you have received under separate cover. Then enter your name as it is embossed on your credit card. Finally, you enter a valid mobile phone number. Please note the following format: 0049 170 123456 (no special characters). You must then confirm your information.

The screenshot shows a web form for registering a credit card for 3-D Secure. At the top left is the Degussa Bank logo with the tagline 'Die WorksiteBank.'. At the top right is the 'Mastercard SecureCode' logo. Below the logos, there is a language selector for 'Deutsch'. The main text reads: 'Please register your credit card for 3-D Secure. Enter your Online-ID and your name, exactly as it is shown on your credit card.' There are two input fields: 'Online-ID:' and 'emboss name line:'. Below these, the text says: 'Please confirm your mobile phone number. You will receive an SMS-TAN to authorise your payment. +9199XXXX4775 Confirm mobile-phone number' with a checkbox. A note follows: 'If this is not your mobile-phone number, please enter your correct mobile-phone-number.' There is an input field for 'Mobile-phone number:' and the format 'Format: 0049 170 123456' is provided. At the bottom, there is a checkbox for 'I accept the terms and conditions for 3-D Secure.', a blue 'Continue' button, and three links: 'Contact', 'Help', and 'FAQ'.

3. In order to complete the registration and payment process, enter the six-digit transaction number (SMS-TAN) sent to your mobile phone as a text message into the following fields. You must then provide your personal password to ensure future payments are secure. Once you have confirmed this information you are registered with 3-D Secure and can complete the transaction.

The following payment was identified as a 3-D Secure transaction:

Merchant: GOLFSTORE 3DS
Amount: USD 137.97
Date: 12.01.2017

Please enter the SMS-TAN (6 numeric characters) which was sent to your mobile-phone number: +9190XXXX7917.

SMS-TAN:

2 A 3-D Secure transaction as a registered customer

1. While making an online payment, you have entered in a Degussa Bank credit card that is already registered with 3-D Secure.
2. A window summarising the 3-D Secure process will open up and prompt you to provide your SMS-TAN and personal 3-D Secure password.

The screenshot shows a web interface for Degussa Bank's 3-D Secure process. At the top left is the Degussa Bank logo with the tagline 'Die WorksiteBank.'. At the top right is the 'Mastercard SecureCode' logo. Below the logos is a language selector 'Deutsch'. The main content area contains the following text: 'Your credit card is registered for 3-D Secure.', 'Merchant: GOLFSTORE 3DS', 'Amount: USD 137.97', and 'Date: 12.01.2017'. It then asks the user to 'Please enter the SMS-TAN (6 numeric characters) which was sent to your mobile-phone number: +9199XXXX4775.' and provides an input field for the SMS-TAN. Below the input field is a 'Resend' link. Further down, it asks 'If this is not your mobile-phone number, please click [here](#).' and 'Please enter your personal 3-D Secure password now:' with an input field for the password. A 'Forgot your password?' link is also present. At the bottom of the form is a blue 'Continue' button. At the very bottom are links for 'Contact', 'Help', and 'FAQ'.

3. A SMS-TAN (six-digit transaction number) has been sent to the mobile-phone number you provided for our records. A portion of this number is visible on your screen.
4. Enter your information and confirm this information by clicking on "continue". Your secure transaction has been successfully completed.
